Note 1. There are two pools **Pool A** and **Pool B** and in each pool we have **eight teams**. Pool A teams names are **A1, A2** ... and onwards, similarly Pool B team names are **B1, B2** ...and onwards.

2. Before start up of the tournament, it is your responsibility to see which Pool your team belongs to., such as Pool A or Pool B.
3. All **Pool A league** matches will be played on **Court 9** and **Court 10**, whereas all **Pool B league** matches will be played on **Court 11** and **Court 12**.
4. Before startup of the game, please familiarized yourself with the schedule /timing and also the game rules.
5. Any confusion regarding the event schedule and rules, please consult with the taskforce before event date. Rules listed in this spreadsheet shall be considered final.
6. Times mentioned in this schedule is **tentative**, please makesure you are in your court **5 to 10 minutes before your schedule time**.
7. Please consult with Court Management Team (see above for details), if no umpire/scorer is present for your match.
8. Due to time and schedule limitation, match Time change request shall not entertained.
9. This is **both team responsibility** to make sure your **match points/score** have been registred in the **electronic spreadsheet** as well.
10. Each winning team will get **two points**.
11. Whichever **four teams** finishes with the most point at the end of league shall be qualify for quarter final.
12. On **League matches within pool**, if two or more teams gets **equal point (i.e 10 and 10)** , then the following rules shall apply:
  - a. If **two teams** finishes at same points (such as Team A1 and A4 finish with 10 point), then only that team will qualify for quarter final who was the winner team on league match, (i.e. The winner team of A1 and A4).
  - b. if within pool, **more than two team finishes at same point** (such as Team A1, A4 and A6 all team finishes at 12 points), then the criteria would be different, see below points for details:
    - (i). Summation of difference of points (for all pool matches) would be considered. The team whose accumulated difference is highest will be considered the winning team.
